

TOWN OF CRESTONE RESOLUTION 2008-001

RESOLUTION TO RESCIND UNUSED VERSION OF RESOLUTION 006-2007 WHICH SET 2008 MILL LEVY AT 5.080 MILLS

WHEREAS, the Board of Trustees of the Town of Crestone adopted Resolution 007-2007 on December 10, 2007, requesting the Colorado Division of Local Government to determine whether the passing of the Town of Crestone's de-Brucing ballot question of November 4, 1997, exempted the Town of Crestone from the 5.5% statutory property tax revenue limitation established in Title 32, Article 1, Section 301 of the Colorado Revised Statutes; and,

WHEREAS, the certification of the 2008 Mill Levy was required to be reported to the Saguache County Treasurer by December 15, 2007; and,

WHEREAS, no time would be available to the Board of Trustees of the Town of Crestone to pass a resolution setting the Mill Levy for 2008 after the Colorado Division of Local Government's 5.5% limitation determination; and,

WHEREAS, the Town of Crestone Board of Trustees therefore adopted alternate versions of Resolution 006-2007 setting the 2008 Mill Levy, pending a determination by the Division of Local Government as to whether the Town of Crestone has de-Bruiced from the 5.5% annual property tax increase limitation; and,

WHEREAS, The Colorado Division of Local Government determined on December 11, 2007 that passing of the Town of Crestone's November 4, 1997 de-Brucing ballot question does make the Town of Crestone Town not subject to the 5.5% statutory property tax revenue limitation established in Title 32, Article 1, Section 301 of the Colorado Revised Statutes; and,

WHEREAS, the Treasurer of the Town of Crestone submitted a mill levy of 5.683 mills to the Saguache County Treasurer December 12, 2007;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWN OF CRESTONE, COLORADO:

Section 1. That the version of Town of Crestone Resolution 006-2007 setting the 2008 Mill Levy at 5.080 Mills is hereby rescinded.

Section 2. That the Town of Crestone Resolution 006-2007 setting the 2008 Mill Levy at 5.683 Mills is hereby adopted.

ADOPTED this 14th day of January, 2008.
